Kapoor Lampshades has relaunched its Jaipur store by bringing in new designs, styles and a host of power saving and eco-friendly products.

"With festive time approaching, it is the best time to decorate your home with designer lights," said Raja Shekhar, chief operating officer (COO) of Kapoor Lampshades, at the function held here. Company's head of the corporate affairs, Michael Mc Donagh, was also present at the occasion.

Shekhar said, "Our company is responsible for designing the light décor of many firms in the city like

Raja Shekhar with Shweta Bajaj

Rambagh Palace, ITC Rajputana, Four Point by Sheraton, Country Inn & Suites Hotel, Park Inn Hotel, Chomu Palace and Fairmount Hotel."

"Under the Kapoor lighting umbrella, you will get ceiling

flush / ceiling recessed, pendant, table lamp, wall lamp, floor lamp, mirror light, picture light, landscape and exterior light at the store."

To get the aesthetic designs, the company has been working with rarity materials such as black mother of pearl, fine marble, velvet, brushed oak, rock, crystal, raw iron and rich fabrics life silk, he added.

The store has a range of products with specialisation in decorative, architectural, landscape and functional lighting and has the latest advancement in multiple applications for light emitting diode (LED) and cold cathode lighting and other power saving and eco-friendly applications, Shekhar said.
